Our Mission

The Helping Center of Marble Falls provides nourishment and limited financial support to our neighbors in need in a dignified and hope-filled setting. As a unified community of Christians, we also offer opportunities for education, fellowship, and referrals providing a path to self-sufficiency.

Memorial Day

Memorial Day is a national holiday in the United States that honors the brave men and women who gave their lives while serving in the military. It is observed on the last Monday of May.

More than just a day off or the unofficial start of summer, Memorial Day is a time to remember the cost of freedom and to express our gratitude for those who made the ultimate sacrifice.

Let's take this day to reflect, remember, and give thanks.

"Helping one person might not change the whole world, but it could change the world for one person."

"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."

— Matthew 25:40
