Memorial Day Closure

May 25, 2026

What is Memorial Day?

Memorial Day is a national holiday in the United States observed on the last Monday in May. It is a time to honor and remember the men and women who gave their lives while serving in the U.S. military.

The holiday began after the American Civil War, when communities decorated the graves of fallen soldiers. Today, it is marked by moments of reflection, placing flags at gravesites, and gatherings that pause to remember the true meaning of sacrifice. More than a long weekend—it's a day of gratitude, remembrance, and honor
